## the band

**Confined** is one of the **Twin Cities** newest Hard Rock acts. Completely formed out of ads in the local **City Pages**. Members have come and gone over the course of 12 months, but the final product is five guys creating **huge** hooks and **thumping** modern **sounds**. This band can play! They create **energy** everywhere they go.

In March of 2003, they went to **OarFin Studios** and recorded a 3 song demo, engineered by **Todd**, OarFin's #1 engineer. They did 3 songs in 22 hours. It was a magical weekend. During the next 3½ months, **Confined** have confined themselves to a rehearsal room 3 – 4 nights a week writing more and preparing themselves for their **debut**. After polishing a 1hr plus set that will set the tone for any act in town, they brought their show to the stage on **July 19<sup>th</sup> 2003** as an opening act at **Doc's Landing** in **Maplewood MN**. Hard work proved that this band is for real. They brought down the house. Even the headliner said the wrong band closed the show.

**Confined** is currently in the decision process of where they want to record a **full-length album**, and adding more songs to their set list, including some of today's **hottest** radio hits. Their goal is to be able to play any club, any time. Whether it be a **showcase** of original music, or a **full night** of mixing it up between the originals and current hits. The band has a killer web site at [www.ConfinedRockers.com](http://www.ConfinedRockers.com). Their **influences** range from the roots of Rock & Roll to the **Power** Rock hits of today, and everything in between.

**By booking this band, you get the best of both worlds. Solid Originals, Classic to Modern Covers, and High Octane energy!**

## Steve

Steve's musical background starts in 1982 with the band Z-Axis, and includes Nu Lix, Tempered Steele, The Portleys, and Two-Minute Tommy. 'Having done just about everything from solo work to choral music to pop, rockabilly, classic rock, and heavy metal, bands like Staind, 3 Doors Down, and Good Charlotte have given me a fresh appreciation of music with power and melody. If the band is exhausted and the audience is wired at the end of a show, we've done our job.'

## Brent

Brent was born in 1974 in the town of Cottage Grove, MN. He started playing bass at 14, jamming with friends to Metallica, Megadeath, Anthrax, and other 80's bands. He has played with Majority Rules and Divine Intervention.' I started this band with Jason because I have a passion for hard driving music with a beat.'

## Jason

Jason is the driving backbone of this band, the 'Rock Star'. 'This is what I want to Do' says Jason. He was born and raised in southern MN and moved to the metro area to start or join a band.

'After a year and a half of struggling with several musical personalities, finally a kick ass band that clicks and makes great music.'
